

## The first adventure for Umbria in Harmony has happened!

May 11-18<sup>th</sup> 2019 saw 19 singers from the North and South of England come together for a week of singing in glorious harmony, in the stunning landscape of Umbria.

What a brilliant week we have had, with some truly wonderful participants. We laughed, sang, enjoyed local food and wine, laughed and sang (and then enjoyed a bit more wine...!) A local opera singer performed an intimate concert for us, and we reciprocated with an informal performance of the varied repertoire learned during the week. Open mic nights, quiz nights and a party on the final evening completed a truly special week.

“the hotel was excellent ....the wonderful last night, another highlight for me. How cool was that to hear live opera in Italy and sing and dance the night away in that lovely restaurant. A fitting end !!”

“The music and the singing were great. Charlie brought her top game and Emily was absolutely fantastic in every way”
